

*Celebrating 60 Years*

# Spirit of The Banda

Friday 22nd May 2026

## A WORD FROM THE HEADMASTER

A huge thank you to everyone for your patience and understanding with the school closures at the beginning of the week; it was important to prioritise everyone's safety. It's meant a rather truncated week but a no less busy one with Years 5 and 6 sitting their end of year exams; Year 4 zipping off for a two day adventure at Sagana; a fabulous play and art show from the Pegasus children; and the playing of the year's main inter-school tennis tournaments.

It was great to welcome Kira Evans, a Banda alumnus, into assembly this morning to launch our Big Blue Day - a day focused on ocean conservation, which will take place on Friday 12th June - and our sustainable hat competition; something perhaps to have a go at over the coming break.

And finally.... Have a restful Half Term and we look forward to welcoming everyone back on Tuesday 2nd June, following the public holiday.

# Wildlife Photography Competition!

Send your photos to  
[k.sweetnam@bandaschool.com](mailto:k.sweetnam@bandaschool.com)

Remember you only get to send in 6 photos so take a lot and send in your best ones.

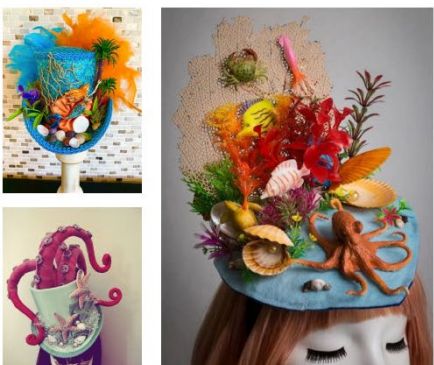

**Deadline: Friday 5th June**

This is after half term so during the break go outside and start taking photos of the beautiful nature and wildlife we have surrounding us!

In assembly this morning, we heard from Kira Evans at Seas4Life about the Hat Competition that will be running on Big Blue Day on 12th June. We thought some of you might like to get started on your hat, ready to wear to school on that day, along with your blue clothes! Here are some ideas that can be considered when making your hat!

Dive into the creative world of hat making! Let the waves of inspiration flow through you as you set about creating your very own ocean-themed headdress.

### THE THREE RULES

#### 1. Found or recycled materials only.

No new craft supplies. No store-bought glitter or feathers. Every part of the hat must be made from materials that would otherwise be thrown away — packaging, plastics, old fabric, etc. The only exceptions are glue, tape, and string, which children may use freely to assemble their hats.

#### 2. The hat must carry a statement.

Every entry comes with a 'hat statement' — a single sentence the child writes on a card to wear or carry during the parade. A fact, a wish, a warning, or a question. The statement is part of the entry. A hat without one isn't finished.

#### 3. The wearer presents the hat.

The child who made the hat wears it, walks the parade, and reads their statement aloud. This is the part children will remember most. Build time into the day for them to practise.

# Word OF THE Week

Gratuitous

*Done without good reason, often unnecessary.*

CHALLENGE: ADD THIS WORD TO YOUR WRITING THIS WEEK!

**Stop asking  
"How was your day?"**

**If you were in charge  
of the class, how would  
you settle an argument  
between two students?**

# wellbeing WALL

## ROSA AND OUR WELLBEING CENTRE

Many of our pupils enjoy heading to the Wellbeing Centre, either for a chat with our Counsellor, Rosa, or to simply enjoy relaxing in the space. This lovely room is a source of relaxation and comfort to so many people in our school community.

## MANGA BOOKS

Does your child like reading Manga books? These Japanese comic books are very popular with a number of pupils, but did you know that there are age ratings which can be found on the back of the books? If your child is keen to read one of these books, have a look for these ratings:

- E (Everyone / All Ages)
- Y (Youth, ages 10+)
- T (Teen, ages 13+)
- OT (Older Teen, ages 16+)
- M (Mature, ages 18+)

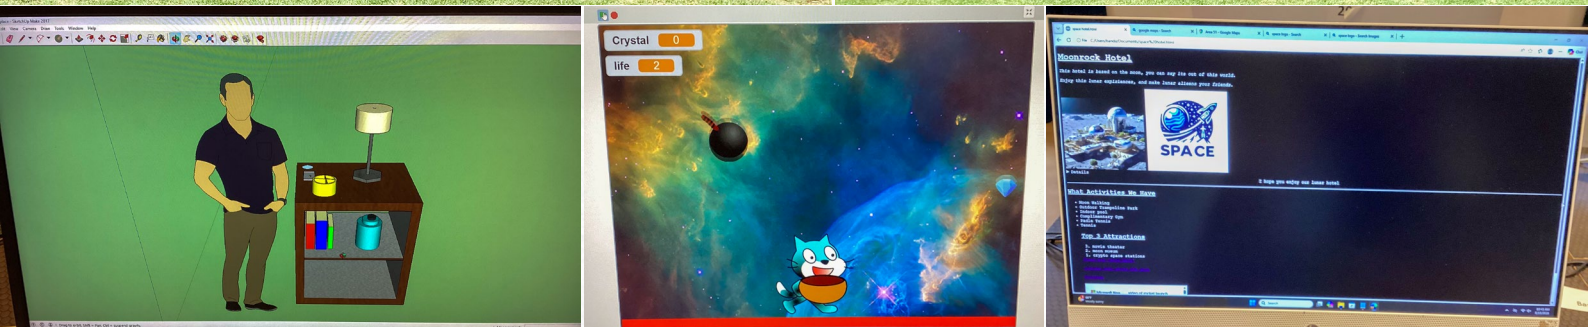

# YOUNG PROGRAMMERS COMPETITION

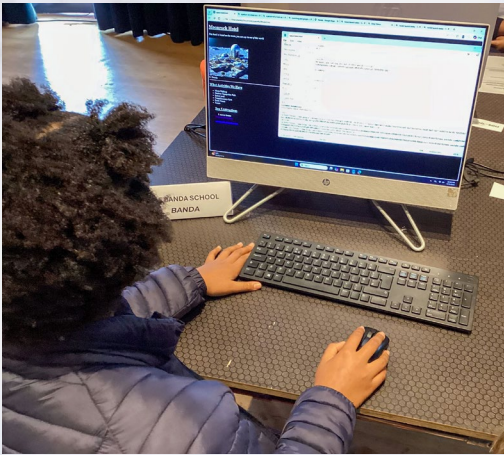

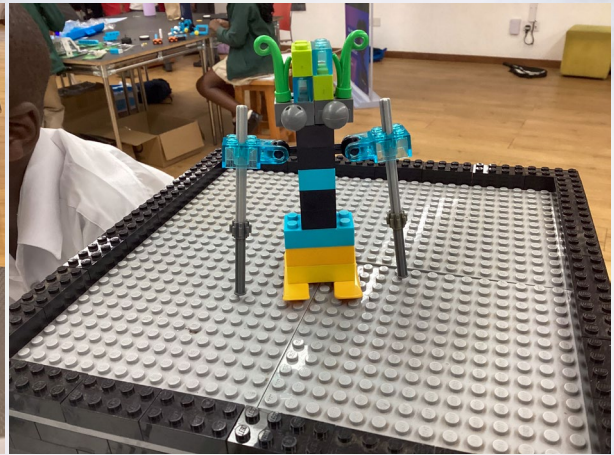

Last Friday, nine young programmers travelled to Peponi House to compete in the YPC. The U9 team participated in the Young Programmers Festival with activities ranging from Coding to Robotics and 3D design. The festival atmosphere led to a celebration of computational thinking with no winners or losers. A focus on showcasing an exciting digital world was an incredible experience for our three Year 4s. Well done Hari, Azaria & Nashipae. You really embraced the spirit of the day and were fully involved in all the activities on offer. In the competition, we had a team of three U11s and three U13s.

The U11s worked solidly as a team, helping each other in every area and creating games and programs that not only did they enjoy playing, but also intrigued their fellow competitors to come and test out too. Despite not coming away with any medals this year, I was so impressed with what they created, so well done William, Max and Joshua.

The U13s created a very accurate 3D Model using Sketch up of a bedside table with multiple storage solutions. Their Python program led users down an unusual story route- one you certainly couldn't predict the outcome of. But their shining moment was their website design for a Hotel in Space - Naima, our HTML hero, along with the excellent support from Charlie and Marshall earned them a bronze medal in this section. Fantastic teamwork - well done!

Everyone had a great day out learning more about each software and getting an opportunity to showcase their skills. Well done to all the children who took part, you were excellent role models for The Banda. Until next year....

# BANDA BOOK BOX UPDATE

The Banda Book Box arrived on Wednesday afternoon and we are so delighted with the result. The construction was completed by Ross Field and his brilliant team at Specialised Fibreglass and the outside illustration was created by a wonderful Kenyan artist, Nziliani Simu. Kenya Kanga are kindly supplying the inside furnishings. We can't wait for you to see it! Until the launch, the Book Box will be hiding in a secret location on school grounds, while we add the finishing touches with some of the children! In line with the launch we are also starting a Book Box Book Club (see leaflet below). For more updates, please follow the Banda Book Box Instagram page @bandabookbox. If you would like to be involved in our committee, please email Miss Brooke (r.brooke@bandaschool.com)

**Coming Soon!**

## BOOK BOX BOOK CLUB

# U13 GIRLS TOUCH RUGBY

Last Friday we hosted a Girls Touch Rugby Mix-in. Six schools were in attendance with BGE and BGR bringing two teams. Each team played 4 matches and The Banda team registered wins against Kenton, Braeburn Garden Estate and Peponi. They then drew with Braeburn School. This was great preparation for all the teams as they look forward to playing at the Ndume 7s Girls Touch Rugby at Pembroke in a few weeks.

# U13 BOYS RUGBY @ HILLCREST

The Under 13 Boys 1st Team were in action last Saturday at the Hillcrest Rugby Tournament. This is the flagship event for the 13 aside game, before moving on to rugby 7s in the second half of the term. They had an intense week of rugby in the lead up playing both Peponi and Turi, games which they won but as a result suffered a few injuries. This did not hamper the boys' spirits and instead they showed great skill and character at Hillcrest all morning. They won 3 out of their 4 group games to qualify for the semi finals. The knockout phase proved to be one step too far with a strong Kenton side overcoming a spirited effort from The Banda team. The 13 aside season has been a very good one for the boys and they have performed brilliantly. Their attention will now turn to having an equally as positive 7s season and perhaps going a few steps further at the Ndume 7s at the end of June. Well played Boys!

# U9 TENNIS FESTIVAL

Last Wednesday, The Banda hosted an exciting Under 9 Tennis Festival, with four boys (Atticus, Jonty, Oscar and Matthew) and four girls (Anita, Isabella, Elsa and Bea) from year 4 proudly representing the school against teams from Kenton College, Braeburn School and Peponi House. The festival was full of energy, enthusiasm and determination, with an incredible 64 games of tennis played throughout the morning! Players competed in seeded groups from 1–4, ensuring that each child faced opponents of a similar level from the other schools. It was a huge learning experience for all involved. The players showed fantastic improvement as the morning progressed, growing in confidence with every match. There were many games won, plenty of exciting rallies and, most importantly, lots of smiles on and off the court. Beyond tennis, the festival gave the children the opportunity to make new friends, learn more about teamwork and sportsmanship, and gain valuable match-play experience in both singles and doubles. The Banda pupils represented the school brilliantly and should be very proud of their effort, attitude and progress throughout the day. The future of tennis at The Banda is looking very bright indeed!

# U13 GIRLS TENNIS DODS CUP

The U13 Girls' Dod's Tennis Cup held at The Banda School was a fantastic morning of competitive tennis, teamwork and learning. The Banda was proudly represented by Andrea and Naima as our 1st pair and Liseno and Isla as our 2nd pair. The team played with great spirit and sportsmanship throughout the tournament, winning all of their matches except against the eventual winners, Kenton College. With the tournament decided on the total number of games won across the morning, the Banda girls finished in an impressive 3rd place overall, a wonderful achievement against strong opposition. Particularly well done to Isla and Liseno who won the 2nd pair tournament by 2 games! Beyond the results, the tournament provided an invaluable learning experience for the players. The girls learnt the importance of consistency, teamwork, communication and staying positive under pressure. They also gained a deeper understanding of match tactics, focus and resilience during competitive play. It was an excellent morning of tennis and a great stepping stone in the girls' development as both players and young sportswomen. A huge thank you to our tennis coaches Coach George and Coach Allan for all the time, energy and investment that they put into our tennis programme at The Banda.

# U13 BOYS TENNIS HEMMING'S CUP

The U13 boys tennis doubles teams spent a day at Kenton College competing for the Hemmings Cup. The team consisted of Connie, Ernest, Henry and Tristan. They had a great start to the tournament by beating Braeburn School in the opening match. Our first pair also won against Braeburn Nanyuki and St. Andrew's Turi while our second pair posted another win against Braeburn Garden Estate. The boys should be proud of their performances yesterday and continue believing that the more time they put into their training sessions, building on their confidence and evaluating their performances, the higher the chances of them playing even better tennis in the future. Well done.

## U11 TENNIS

The Under-11 tennis tournament was a great success. Our players performed brilliantly, with the girls winning three of their five matches and the boys securing five impressive victories against just two losses. Thanks to these strong performances, we finished fourth overall. It was a fantastic tournament for everyone involved! A huge thank you to our tennis coaches Coach George and Coach Allan for all the time, energy and investment that they put into our tennis programme at The Banda.

# YEAR 8 DIGITAL WELLBEING

This week celebrates Digital Well-Being Week, in Computing at the beginning of the term, our Year 8s:

- Explored their current tech habits.
- Chose one habit they'd like to change, and brainstormed some healthier choices.
- Tried the Tech Habit Challenge.

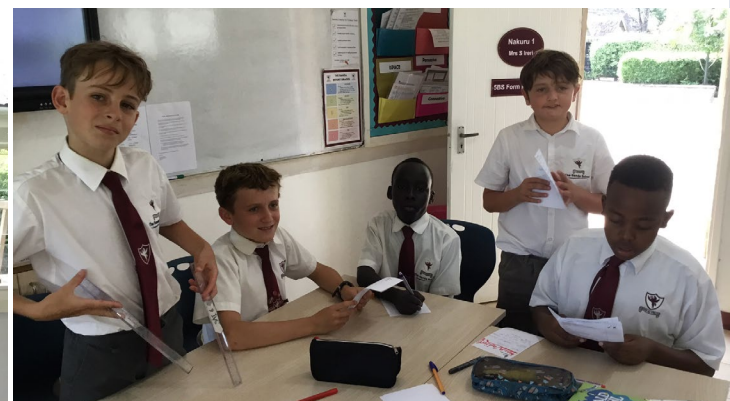

Here are some examples of what they chose to change:

Your Tech-Check Habit Challenge		Your Tech-Check Habit Challenge	
<b>Choose:</b> What is one tech habit you want to change or start doing differently?	Netflix because I love watching movies and I easily stay on Netflix for a long time.	<b>Choose:</b> What is one tech habit you want to change or start doing differently?	checking my phone first thing in the morning for chats...
<b>Why?</b> Why is it important that you change (or start) this habit?	I can focus on other things like prep and research.	<b>Why?</b> Why is it important that you change (or start) this habit?	start minimizing screen time
<b>Alternative:</b> It's helpful to come up with something else to do instead of the old habit. What do you want to do instead of your usual habit?	Watch a limit amount of time for 30 mins	<b>Alternative:</b> It's helpful to come up with something else to do instead of the old habit. What do you want to do instead of your usual habit?	crocheting more or decorate reading
<b>Tricks:</b> Are there any other tricks that could help you with your habit challenge?	Put a screen limit for 30 mins	<b>Tricks:</b> Are there any other tricks that could help you with your habit challenge?	leave my phone in an unreachable area
<b>Help!</b> It can be easier to change a habit when you have help. Who can help you stick to your tech habit challenge? How can they help?	My brother and my sister or my dad or my mom.	<b>Help!</b> It can be easier to change a habit when you have help. Who can help you stick to your tech habit challenge? How can they help?	friends and family distracting and going out with me

Parents do ask our Year 8s to reflect on how the challenge went, and make a plan to continue beyond just one week. Maybe we could all try the Tech Habit Challenge at home too!

# YEAR 6

For some down-time after exams, 600 worked together to create a 'Gen Alpha English Dictionary'. In groups, they decided what word class a slang term belonged to, defined it and provided examples of use. The children also created brown paper man/woman puppets after watching a tutorial video together in their Drama lesson.

C

Clock it

Verb

Definition: It's cute

Example:

1 You clock that girl.

clock it clock it clock it  
clock it clock it clock it  
clock it clock it clock it  
clock it clock it clock it  
clock it

R

Rizz

Adjective

Definition: Attractive

Example

1 Ronaldo has a lot of Rizz

# YEAR 5

In Kiswahili this week, 5SH learnt about the place of the kanga in Swahili culture. They also learned how methali/proverbs are used to communicate between people and common shapes and symbols used in designs, like maua (flowers), korosho (cashew nuts), nukta (dots), madafu (coconuts) and mwezi (the moon). In Maths, the children played cards to work on their strategy.

Task: To create a kanga design

- Choose a methali or proverb and get designing!

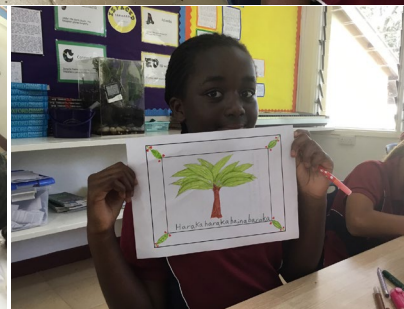

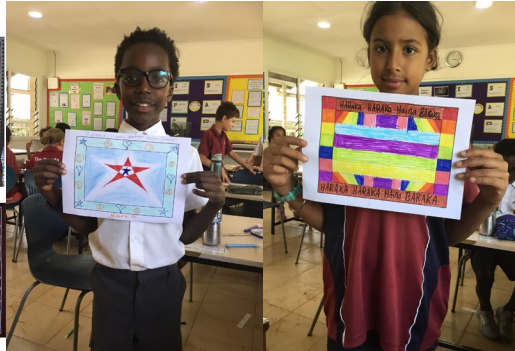

- Haba na haba hujaza kibaba

- Nakutakia kila la kheri

- Haraka haraka haina baraka

# Word OF THE Week

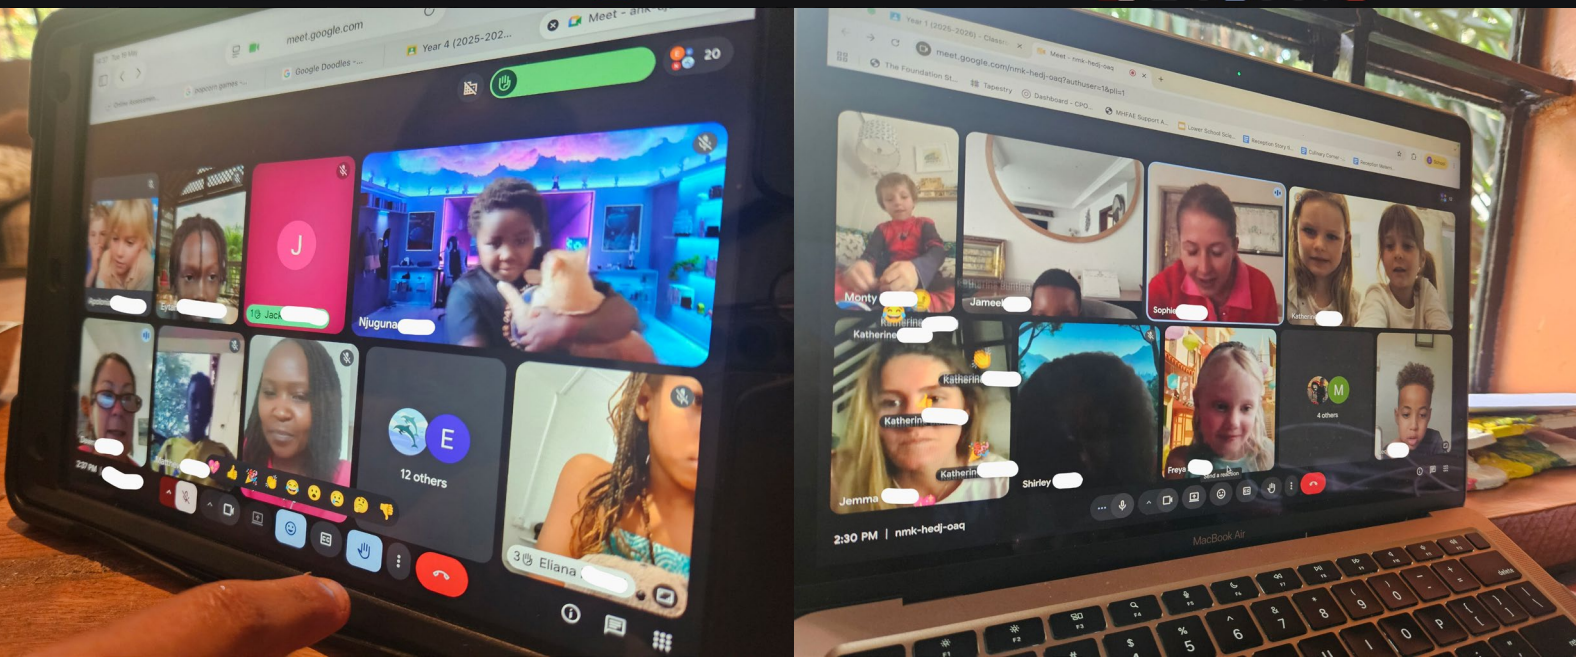

## JUNIOR

*Exotic*  
Unusual or from a faraway place.

CHALLENGE: ADD THIS WORD TO YOUR WRITING THIS WEEK!

### ONLINE LEARNING

We had a lovely time checking in on each other whilst we learned online!

# YEAR 4 - THE DEPARTURE TO SAGANA

The bags are packed, the buses are loaded, and a wave of pure electric energy has officially taken over the parking lot! This morning, our Year 4 pupils are stepping onto the buses and embarking on their highly anticipated adventure to Sagana.

Looking at their faces, you can see a wonderful mix of immense excitement and just a little bit of those natural, pre-trip butterflies. For many, this is a huge step in independence, and the chatter on the bus is already hitting decibel levels we didn't know were possible!

Over the next few days, our brave adventurers will be pushing their boundaries, stepping out of their comfort zones, and building bonds that will last a lifetime. On the jam-packed agenda:

- **White Water Rafting:** Navigating the thrilling rapids of the Tana River.
- **Ziplining:** Flying high through the air with a bird's-eye view of the canopy.
- **The Climbing Wall:** Testing their strength, focus, and grit to reach new heights.
- **Team Building:** Working together to solve mind-bending challenges and puzzles.

They are ready to tackle every challenge with smiles on their faces and team spirit in their hearts. We know you're eager to see them in action! Stay tuned for shots of their thrills, spills and triumphs as the adventure unfolds.

# YEAR 2

The Year 2s had so much fun last Friday. As part of our learning about George's Marvellous Medicine in Literacy we got to go to the Science labs and created our very own marvellous medicines! We even got to explore the use of dry ice - it was very exciting watching our medicines bubble and smoke!

# YEAR 1

In Humanities we enjoyed making these beautiful Chinese lanterns. Harris' Dad visited us during our Religious Studies lesson and gave us a talk on the Quran!

# Pegasus Word of the Week

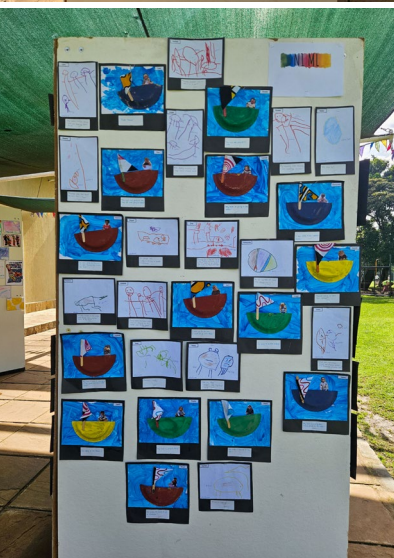

# worried

## PEGASUS EARLY YEARS

We had the first Pegasus Early Years Art Show alongside our Play. It was a wonderful opportunity to showcase the range of Expressive Arts that the children take part in, from Rising Stars up to Reception.

# RECEPTION

Reception. The best place to be! The children enjoyed interacting with one another through messy play and loved listening to Year 6 pupils reading them stories!

# NURSERY 2

This week, we finished our topic on dinosaurs. We enjoyed a wonderful creative session, making a backdrop of our favourite dinosaurs and discussing their key characteristics and why we chose them. Finally, we listened to the story A Dinosaur Came to My Birthday Party by Frances Mackay. Wishing you all a wonderful break!

## NURSERY 1

The Little Masaai of Nursery 1. Absolutely stunning!

# RISING STARS

The Rising Stars like to explore materials with different properties such as drawing on coloured flour with their fingers, playing with jelly and painting using spray bottles.

## Did You Know?

Did you know we have reduced sweet snack breaks to twice a week?

## A NUGGET

Results from the student survey show that chapati, wraps, pizza and sausages were the favourite school lunches and potato balls a favourite snack! There were lots of suggestions of new foods, especially Mexican inspired dishes, as a result Emily is planning a Mexican themed day next half term!

### Recipe to Try at Home

## Lemon Cake

### Key Ingredients

- Sugar 200 g
- butter 115 g
- Eggs 2
- Vanilla essence 2 tsp
- Lemon zest 1 tbsp
- Lemon juice 1 tbsp
- Baking flour 190 g
- Baking powder-1.5 tbsp
- Milk 180ml

### Method

1. Cream butter and sugar in a bowl
2. Beat in the egg, add vanilla, lemon zest and lemon juice
3. Add flour and baking powder
4. Add milk to the right consistency
5. Combine well and pour into a cake tray
6. Bake at 350 degrees for 40-50 min
7. Cool and serve!
